### THE GLOBAL THINK TANK

The Carnegie Endowment for International Peace is a unique global network of policy research centers in Russia, China, Europe, the Middle East, and the United States. Our mission, dating back more than a century, is to advance the cause of peace through analysis and development of fresh policy ideas and direct engagement and collaboration with decisionmakers in government, business, and civil society. Working together, our centers bring the inestimable benefit of multiple national viewpoints to bilateral, regional, and global issues.

### ABOUT THE RANKINGS

The Global Go To Think Tank Rankings have been compiled annually since 2008 by the Think Tanks and Civil Societies Program at the University of Pennsylvania, led by Professor James McGann. The ranking process involves 1,950 experts and analysts who assess the impact and effectiveness of think tanks across a broad range of categories.
